Best Answer:One of the popular island survival games around, i'd say it's the golden god, so the most rare and expensive weapons, armor, crafting tools and most of the rarest items too. If there is a quest, then you need a proper and heavy battlegear or tool item. Note: the best weapons are those crafted from heavy iron/steel (3-4 times stronger than the regular iron) and straight-edge weapons, the first one harder to make, but the second one twice as heavy as any other weapon. Good luck as always :D 2020524 :kp88 JOYO (Journey Of Life) - [kp88] .
