No tags available. Adorage All-in-one Package Vol. 1-13 23 Prices of this item were as low as \$8.00 per volume. Some items had prices as high as \$49.00. The going price of a budget conscious consumer has to be in the \$15.00 to \$20.00 range. So these great prices weren't for everyone. But if you were lucky then you got a deal. Are you following me? Well if not keep reading. This item was on the cheap side because it was the beginning of the new year. I was buying everything on sale and bulk buying. There were many deals to be had. The prices were great. Then all of a sudden...your blog reader doesn't exist anymore. You find yourself wondering what I am talking about. If you did get all these products on sale. You now have 13 product volumes, totaling more than 17,000 effect snippets. You paid \$89.00 for them all. Yeah. You read that right. Are you now wondering why this post is so out of place? Well, if you are wondering why I am talking about a product that I did not purchase as a budget conscious consumer then you must read on.
