# OUR TEAM

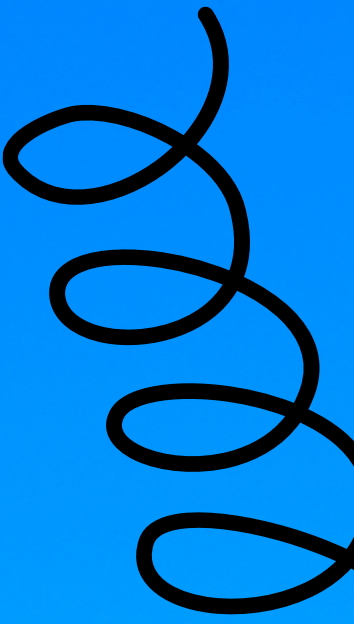

**BILL MCQUEEN**

*With over three decades of production experience at some of the world's biggest networks, including Disney, Cartoon Network, MTV and SKY UK, Bill has worked in every facet of broadcast TV. For close to a decade, he was also the Creative Director at Fox International Channels/National Geographic Channels Asia. During his tenure he created a powerhouse creative department winning over 35 prestigious PROMAX Awards. He was also responsible for overseeing the in-house ad production department, creating campaigns for Sony, Samsung, HP and Singapore Airlines, to name a few.*

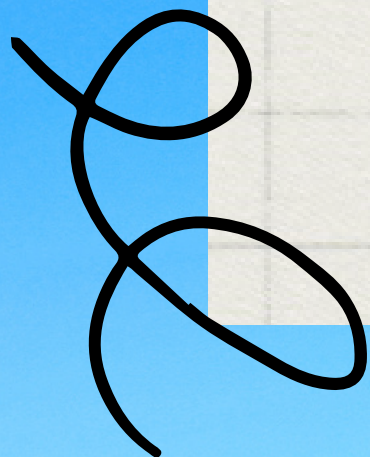

# WHY CHOOSE US ?

*We come from the broadcast entertainment industry so we fundamentally believe that communication needs to inspire and engage your audience. Whether it's a TVC (television commercial) or a corporate video, your video should influence the way people see your brand or product.*

*We work with you to dig out the DNA of your company so we can clearly communicate your Unique Selling Points to your audience. For 10 years we have been doing this for the worlds biggest brands.*
