# V6 HR Service – Know More About Placement Agency

Send message

# Job Placement Agency Near Me | Placement Agency in Delhi

**Placement Agency** – V6 HR Service Pvt. Ltd is a recruitment/**Job consultancy in Delhi NCR**, India.

The main aim of Placement Agency – V6 HR Service is to provide quality services for the selection of candidates for all levels of vacancies that are available with the Company.

We have dedicated placement professionals who guide you through the whole recruitment process from initial screening to the Selection of suitable job profiles.

The placement professionals understand the requirement of both international and domestic candidates and match them in accordance with the requirement of the job profile.

## V6 HR Services Provide Job Placement

We provide a job placement facility for candidates who do not have the experience and skills. This allows you to get the experience of working as an employee and enhance your career scope. We provide training seminars for the job seekers.

Candidates who complete the training are placed at the various job sites under the supervision of experienced placement personnel.

We also provide **placement services** for fresher's or new graduates who are unable to find a suitable job on their own. The recruitment process through V6HR helps in finding jobs in varied fields such as Engineering, Medical, MBA, IT, Accountancy etc.

V6 HR Service help in the fields related to the skill set. Placement is a very crucial phase and it should be handled with great care.

The recruitment staff should be professional and trained to find the suitable job. We have skilled placement personnel who work with the candidates and decide the suitable job for them.

# Placement Agency and Recruitment Services

V6 HR Service provides both placement and recruitment services through a network of its placement agencies across the country. The ***placement agency*** business has been a successful business in India with many clients across the world.

This network of placement agencies can help those candidates who lack experience in the field to get jobs in the industry. It also provides valuable guidance to freshers and job seekers who are looking for job in the field.

We helped many job seekers have found suitable jobs. It has helped many people across different sectors to find the right career in the highly competitive market. If you have no experience or if you have experienced job stress, then it would be better to use this service.

***Placement agency*** has the best team of professionals working for them who can guide you towards the right path.

## Conclusion

V6 HR Service helps those seeking a job in a particular industry to understand the exact requirements of the industry. We guide you and suggest you the career options. We also offer you the best advice on the right sector to choose.

If you want to work in an environment where you can grow with your skills, career and interests then V6 HR recruitment is the right choice for you.
