What To Do If My Shein Package Was Stolen?

First and foremost, don't panic. A shein package can easily be replaced, but there are certain things that you should know before you get started. The first step is to contact a shein expert and get all the information regarding your stolen order. They should be able to determine what happened to your packages and help you make the right decisions for replacement.

Does Shein Refund Stolen Packages?

Yes, shein does refund stolen packages. But only if the buyer files a claim within 72 hours. The buyer should file a claim online or through the nearest shein office to get the refund.

How do I find out if My Shein Package Is Lost?

If you have a Shein package that has been lost, you can contact the customer service team by going to the website and filling up a form. It may take a while to receive a response. If you need to track your package, you can do so by logging into the My Shein app.

How Do I Get Shein Lost Package Refund?

You will have to contact the customer service of the website where you purchased the shein lost package, and ask them about their policy.

Why Is My Shein Delivery Taking So Long?

Shein deliveries take anywhere between 10 to 30 days, depending on the location of your product and how much time is spent by their warehouse team. The products are first packed and shipped to your local warehouse, and then delivered to you via a freight truck. They need to spend time at the warehouse, packing and unpacking your products, and then delivering them to your doorstep.

What Do I Do If My Shein Package Not Delivered?

First, check your Shein account to see if the package has been delivered. If it has, then contact the carrier and ask them to re-deliver it. If the order is still not delivered after a few days, then you can file a complaint with customer service directly. They'll get back to you within 24-48 hours. You should also check the status of the package on Shein's website and follow the steps given there.

What do I do if my Shein package says delivered but I never got it?

If your shein order delivered but not received, you should first check your order history. This should give you an indication of the status of your order. If you don't see the Shein package, or the status of your order, contact our support team via email. They will check your order history, and get back to you within 24 hours.
