# TESTYMONIALS

Cathy Cheney

“My pool was leaking and my water bill was climbing. I called Gold Star Leak and they were so courteous and gave me a fair price to test my pool. They found my leak and repaired it and said the leak repair was included. What great service. My pool is fantastic now. They even adjusted my jets when he put them back in. I highly recommend them. Superior Service. Thanks again. You guys are definitely the best.”
