## What Is Snail Truecica Miracle Repair Starter Kit?

Snail Truecica Miracle Repair Starter Kit is a 4-STEP Miracle Repair that allows the skin to strengthen itself. It is made in Kit size for you to check if it works on your skin, and it is convenient when taking it out., which consists of four products; the cleansing that balances skin's pH level, toner that softens the skin texture, an intensive calming serum that strengthens skin power, and cream that strengthens the skin barrier. Don't think it will have a heavy, oily texture because it's made with Snail. It can be used by any skin type without worries.

## How Snail Truecica Miracle Repair Starter Kit Works?

Snail Truecica Miracle Repair Starter Kit helps for skin regeneration to repair skin damage with Black Snail Extract 5 types of ceramide components which strengthen skin barrier that can protect skin from external stress and prevent it from turning into a sensitive skin. A four-step starter kit infused with black snail extract and Truecica for a revitalizing and soothing finish. Slightly acidic gel cleanser cleanses thoroughly, moisturizes skin effectively and strengthens the skin barrier with a cocktail of nourishing ingredients. MI Snail Lines maintains its highly functional nutrients.
