Get Your Trees in Shape with Our Expert Tree Pruning And Hedging Services

Is your shrub in need of a little TLC? Perhaps it's grown out of shape or has become a bit unruly. Don't worry, our expert [tree pruning and hedging services](#) are here to help. With our high-level urban horticulture qualification and broad experience, we can ensure a quality job that's safe for your shrub's health. And if you have a group of plants that you'd like to turn into a hedge, we can help with that too.

Our tree mulching services are second to none, with careful application to the optimum depth using a range of materials including pine bark, eucalyptus, bright pebbles, or pea straw. Alternatively, you can supply your own material, and we'll get to work turning your plants into a beautiful and functional hedge.

Clayfields Hort understands the importance of maintaining healthy trees in your yard or business. That's why we offer tree pruning services that cater to the needs of our clients. Our skilled professionals are equipped with the necessary tools and expertise to tend to your trees, ensuring that they stay healthy and vibrant. And that's not all – we also offer hedging services to ensure that your bushes and hedges are neat and tidy.

Improve Sunlight Access and Aesthetics of Your Garden With Expert Tree Pruning Services

Transform your unruly and overshadowing trees into well-manicured beauties with Clay Fields Hort's top-notch **tree trimming and cutting services** in Melbourne and surrounding areas. Our highly experienced team specialises in shrubs and small height trees, with safety and tree hygiene as our top priority.

Worried about exorbitant tip costs? We've got you covered – we reduce and cut up the trimmings before transferring them to your green waste bin or processing them offsite. For larger trees, we'll refer you to trusted arborists. Let us spruce up your yard by providing more sunlight and improving its aesthetic appeal.
