## **What is the Traveling Policy of Boston?**

Boston, one of the most popular cities in America and the world, is currently open for tourism but there are some changes that all visitors should be aware of. This includes Boston travel rules and restrictions authorized by local, state, and federal governments. After the vital effects of Covid, every visitor is bound to wear a mask while traveling in public transportation like the subway, ferries, cabs, and taxis.

If you tested positive for COVID-19, you will be isolated for a period of 10 days whether you are vaccinated or not. This rule is applicable to all who reside in the state of Massachusetts. Also, the City of Boston asks you to give vaccination proof before entering certain indoor areas in Boston. So you can only book a **flight to Boston** from **Flightaura** if you're vaccinated and free from any type of symptoms else nothing will be under your control.
