Museum Quality Oil Paintings | Crownart.net

Pin-up models are the embodiment of femininity, capturing the spirit of what it means to be a woman. [Museum Quality Oil Paintings](#) They represent an idealized form of beauty, often characterized as wholesome in American popular culture. In contrast to sex symbols, who are associated with pornographic magazines and films, pin-up girls represent a perceived alternative to immorality or promiscuity

The term pin-up may refer to drawings, [Portrait Oil Paintings](#) paintings and other illustrations as well as photographs of attractive women who are admired for their beauty. However, this is not an exhaustive list. The practice of pin-up is documented back at least to the 1890s. Pin-up images could be cut out of magazines or newspapers, or on a postcard or lithograph. Such pictures often appear on walls and desks as well as calendars. Posters of pinups were mass-produced and became popular from the mid 20th century.
