GET QUALITY SERVICES AT OUR CHIRNSIDE PARK DENTURE CLINIC

Chirnside Park denture clinic is your one-stop shop for all your denture requirements. Besides creating and installing quality dentures, we also offer the following services;

- Relines and repairs
- Clasp adjustment
- Sports mouthguards
- Denture easing and alterations
- Tooth and clasp additions
- Cleaning and polishing
- Emergency repairs

Relines and repairs ensure you have quality dentures and dental prosthetics. Clasp adjustment keeps your dentures in place. Our dentist can conduct major and minor alterations and adjustments to dental clasps if they become too tight or loose.

“My mother saw Greg for a new set of dentures and she was very nervous since her first set of dentures was made elsewhere and was very uncomfortable and took a long time and a lot of adjustments. Greg was so gentle with her and so helpful. Her new dentures fitted her so well straight away the travel for her from Melton to Ringwood to see you was well worth it. Thanks Greg.”
