

The Sydney Rooftop Grand Opening by Lumex

The Rooftop of Lumex Preferred Location in Sydney

In the greater Sydney area, no one does a better job of installing Lumex Opening Roof than Highlands Blinds, Shutters & Awnings. We are a locally owned and run company that supplies and installs high-quality window coverings like blinds, shutters, and awnings at prices you'll appreciate. When it comes to customer service, we take great pride in the fact that we have been in business for over 30 years and have a perfect track record of happy clients.

From the first consultation and estimate to the final delivery and set-up, our seasoned pros will be there every step of the way. For this reason, our wares are built to last under the unforgiving rays of the Australian sun and in the damp, cold climate of the interior. Choose from the hand-cranked, motorised, or fully automated variety. They are user-friendly and cost-effective since we made sure of that. We are familiar with installing Lumex products and will help you get your new Lumex opening roof set up so it looks amazing and functions as intended.

If you live in Sydney, a Lumex opening roof is a great investment.

Lumex Opening Roofs Sydney is the perfect choice for anyone looking to update their outdoor living area because it allows for more light and ventilation. This is the ideal choice for you if you want to enjoy your outside space throughout the entire year, regardless of the temperature or precipitation levels that may be present. It is a solution for autonomous outdoor louvred motorised shading that can simply be adjusted to accommodate the different seasons. Your home's value will increase as a result of its adaptability, usability, capacity to be controlled remotely, energy efficiency, durability, lifespan, and aluminium reinforcement features.

Full command is maintained at all times because to the rigidity and wider spans that are made possible by the design of the aluminium blades. Lumex opening roofs have a powder coating finish that is guaranteed for 10 years, further reinforcing their position as the premier opening roof solution for increased outdoor living. The colour fastness of the powder coating finish is also guaranteed. Not only may it assist you in lowering the amount of money you spend on your regular energy bills, but it can do so in a very efficient fashion as well.

What Makes Us the Best Option for Your Lumex Opening Roof in Sydney?

We at Highlands Blinds, Shutters & Awnings are proud to provide Lumex Opening Roof Sydney solutions that are not only effective but also convenient. We are dually licenced as a Contractor and a Supervisor. We have over 30 years of experience serving Sydney and the surrounding area, giving us the depth of knowledge and skill to provide you with comprehensive solutions.

Measure and quotation, supply and installation, and after-sales service and support are just few of the many services we provide to our customers. We take great pride in going above and above for our customers and in the quality of our work.

The variety of products we have allows us to cater to customers with varying levels of disposable income and aesthetic preferences. We apply the same level of skill and precision to both indoor and outdoor items. In addition to improving your quality of life, we also guarantee that your new installations will last the test of time and look great for years to come.
