HIGH QUALITY AND AFFORDABLE FOLDING ARM AWNINGS IN SYDNEY

If you're looking for a premium-quality folding arm awning in Sydney, Highlands Blinds, Shutters & Awnings is the leading provider. We are a family-owned and operated business that has provided superior-quality awnings for more than 30 years. Our awnings are made from the highest-quality materials and are backed by our industry-leading warranty. We take pride in offering our customers the best possible customer service and satisfaction.

We provide you with end-to-end solutions. This means we do everything, from providing a detailed quote to supplying materials and handling the installation process. Our skilled team will ensure you have peace of mind while we work on your project. We offer manual, motorised, and automated folded-arm awnings to suit the needs of our different customers. Our products are affordable and easy to use.

BENEFITS OF FOLDING ARM AWNINGS IN SYDNEY

Folding arm awnings are famous in Sydney because they offer protection from the sun and rain and can be retracted when not used. We can make them from canvas, vinyl, or acrylic fabrics, which come in various colours and styles. Our team can custom-make your folding arm awnings to fit most doors, windows, and other areas. The best part is that they can help reduce your energy bills by managing heat and cold.

Awnings can also add aesthetic value to your home or business. They come in various colours, patterns, and materials to match the exterior of your building. Manual folding arm awnings use a handle to open and close. Motorised folding arm awnings use a motor to open and close. Automated folding arm awnings also use a motor to open and close. However, they come with a remote control or sensors that automatically close the canopy when it rains or when the wind picks up.
