Looking to try Microbead Hair Extensions or Micro Loop Hair Extensions? Check them out with us. Visit our website now. Bondi Hair Micro Bead Hair Extensions are perfect for those with fine to thin hair that wish to add moderate volume and length to their natural hair. Micro bead extensions are made from 100% Premium Human Remy hair. <https://bondihairextension.com.au/collections/microbead>

They attach to the head thanks to very small and discreet beads. The hair is clamped into place, lying flat to the head and adding volume and length. There are no damaging tools involved and the application does not take that long.
