

# CHOOSING THE RIGHT TRUCK TYRE TREAD

Selecting the right tread for your truck tyres is a crucial decision that greatly affect your safety on the road. That's why Amigo Tyres - top tyre shop in Rocklea - is here with a quick tyre tread guide!

## TIP 01

For highways, go all-season tyres. If off-roading, choose all-terrain or mud-terrain treads for added safety.

## TIP 02

Choose deep-grooved winter tires for harsh winters. Pick all-season for milder climates.

## TIP 03

Choose tires supporting truck weight to prevent wear and ensure safety.

## TIP 04

Evaluate tire tread life. Balance longevity with performance while selecting wheels.

Amigo Tyres is a truck tyre shop in Rocklea that supports truckers with new tyres, tyre rotation, replacement, repair, and mobile services. Call (07) 3519 6491 for tyre truck support
