INDUSTRIAL TOOLS SUPPLIERS IN UAE

OKI Bering ME, an Essendant affiliate, has been providing welding, safety, and industrial equipment manufacturers and distributors in the Middle East and America with top-tier, really 100% wholesale partner services since 1999. We have only ever sold through accredited and reputable distributors since the start of our company; we are not connected to any distributors or end users. Distributors can still choose from a large selection of premium products, the best service, and solutions from OKI Bering ME. OKI Bering, situated in Dubai's Jebel Ali Free Zone in the United Arab Emirates, effectively and efficiently serves the entire Middle East and African market thanks to a dedicated sales team.
