

Sonapur Eco Retreat: Everything you Need to Know

December 7, 2022

Even the adjectives such as pristine, virgin, and picturesque fall short of describing the beauty of Odisha's southernmost beach. Pati-Sonapur is one of the most beautiful beaches on the east coast, located right on the confluence of the Bahuda River and the Bay of Bengal, also right on the Odisha-Andhra Pradesh border. Explore the eco retreat here to find inner peace and beauty, or to indulge in that perfect insta-worthy shot. While glamping, you can sunbathe on the beach, participate in water sports, or gorge on delicious seafood. Berhampur, with its rich maritime history, Potagarh Fort, Tamara Lake, and the famous Gopalpur-on-Sea and Lighthouse are all nearby attractions. Pati Sonapur Beach is the most popular tourist destination in Ganjam, Odisha, and Andhra Pradesh. The distance between Pati Sonapur and Bhubaneswar is approximately 195 kilometers.

Tourists will be welcomed to cultural events, guided tours to nearby natural, cultural, historic, and architecturally significant sites, and other recreational activities such as adrenaline-inducing water activities, volleyball, ATV rides, archery, and much more. After a day of adventure, return to the luxury tent and relax at a beach bungalow or escape to the air-conditioned camp for an extravagant end to the day. However, it would be unfair to end the activities without providing you with specific information on how to extend your visit to Sonapur!

Top Places That Should Be On Your Checklist

Explore the ancient temples of Sonapur and find calmness. Visit the famous Sureshwari Temple located at the left bank of the Tel River towards the southwest of the confluence of Mahanadi and Tel River. Dive into the magic of seven ponds found by the temple side of Sureswari which according to many scholars these ponds were the fort moats of the Kalachuri rulers. Another beautiful temple to visit is Lankeshwar. It is one of the forms of the God Shiva. This temple is considered sacred by the devotees due to this reason thousands of followers throughout the year visit to get God Shiva's blessings. You can also join the tribe. Yet another famous and age-old Shiva temple is Subrameru Shiva Temple which is famous for its panoramic picturesque.
