# Network and Computer Experience You Can Trust

*You only want the best technicians working on your network and devices. Our highly skilled staff of trained and educated IT professionals here at We Fix Computers and Networks, will get your device and network working like new... many times the same day. As one of the top [Sarasota and Bradenton IT companies](#), we are veteran owned and proud to serve small businesses in both Sarasota and Manatee County.*

*We offer a limited lifetime warranty on all our repairs. If the original repair fails because of a defect in our workmanship, we will fix it for FREE. No questions asked.*

*We really know our stuff, and this experience shows in the quality and speed of our work, and our customer feedback. Many PC and network repairs can be done same day. We know how inconvenient a broken device or down network can be, so we work quickly to fix the issues and get you plugged back in.*
