ALLWAYS ELECTRIC CORPORATION was founded in 1971. Since that time we have completed over 218,000 jobs, achieved an incomparable level of knowledge and ability within the industry. We are licensed and insured throughout all of Long Island and New York City.

Our electricians are thoroughly experienced. Many are master electricians that have been with the company for over 25 years.

Office hours begin at 6:30 am daily. Our professional office personnel are eager to assist in the scheduling of inspections, jobs, job inspection certification, utility company appointments, or creating a job plan to fit your needs.

Our company continues to grow because we are aware that our past and present success is **“solely dependent on the complete satisfaction of our customers.”**

We are available to help at any time.
