# SEA

Selecting the correct sea route and reaching the destination in the stipulated time is our prime goal. We offer logistics services for Seas Export or Import cargo of any kind. We have strong relationship with leading Shipping-lines and proficiency helps us to suggest the efficient shipping-liner and routes for export or import from the point of Origin to the Destination. We will process your sea shipment through swift clearance of documentation, packing of cargo at your door steps or warehouse. we have a dedicated team at the Ship yard to help for cargo inspection and container loading. We ship your shipment as FCL or LCL to maximize benefits of cost effectiveness. Hence, the organized logistics scheduling is done by Ship Sea.
