

# Aog grills parts

Explore top-quality replacement parts for AOG grills, designed to maintain peak performance and extend the life of your grill.

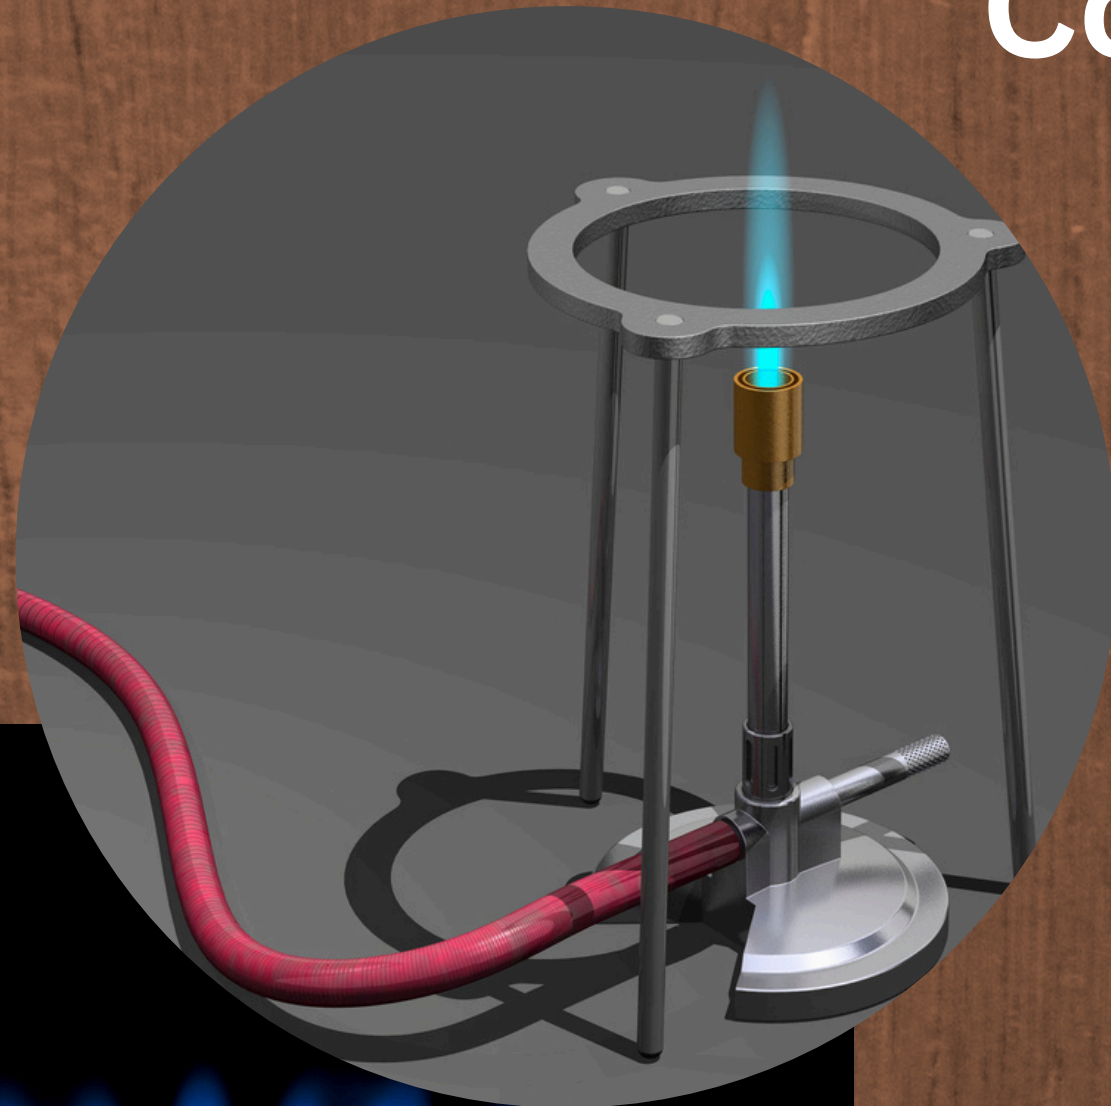

**Discover a wide range of  
AOG grill parts at  
American Outdoor Grill  
Shop.**

## Cooking Grates:

- Durable and easy-to-clean grates for consistent cooking results.
- Designed for maximum heat retention and searing capabilities.

## Burners:

- High-quality stainless steel burners for even heat distribution.
- Available in multiple sizes to fit various AOG models.

## **Rotisserie Kits:**

Perfect for slow-roasting meats, delivering juicy and tender results.  
Easy to install and compatible with various AOG models.

## **Side Burners:**

Expand your cooking options with powerful side burners.  
Ideal for preparing side dishes or sauces while grilling.

## **Heat Shields & Briquette Trays:**

Maintain consistent heat and protect your burners with heat shields.  
Briquette trays ensure even heat distribution and enhance flavor.

## Regular Cleaning:

- Use proper cleaning tools to maintain your grill's performance and appearance.
- Remove grease buildup and clean grates after each use.

## Inspect Parts Regularly

- Check burners, igniters, and grates for wear and tear.
- Replace damaged or worn parts promptly to avoid larger issues.

**Genuine parts are tested for safety,  
reducing the risk of malfunctions during  
grilling.**

**Maintain the high performance of your AOG grill with  
parts that meet original specifications.**

**Made from high-quality materials, these parts resist wear  
and tear, extending the life of your grill.**
