

Award-Winning Web Design & Branding That Sets New Standards

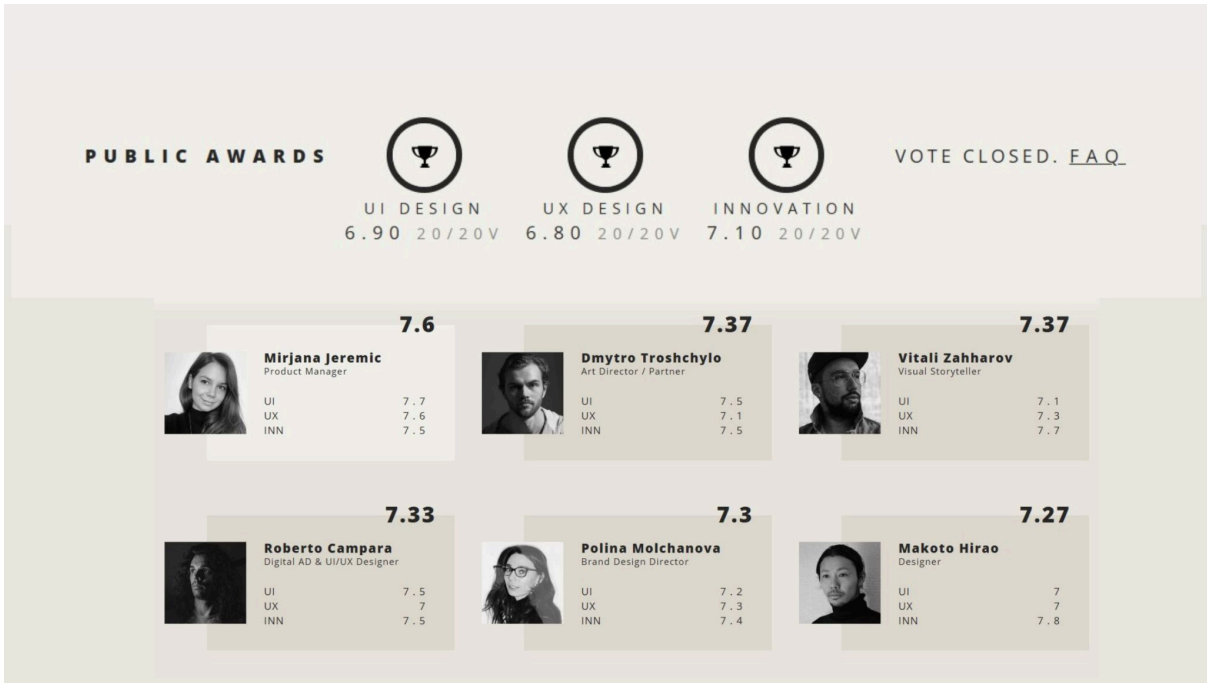

At **Zero Designs Pvt. Ltd.**, we believe that design is not just about creating visually appealing work—it's about telling a story, connecting with audiences, and elevating brands to new heights. Our commitment to innovation and excellence has earned us recognition from some of the most prestigious design platforms globally. We are proud to share our recent achievements that have placed us among the top in the industry.

Award-Winning Projects: A Testament to Our Craft

As a creative agency specializing in branding, strategy, web development, and digital marketing, our work speaks for itself. One of our standout projects, **Lecto Beds (Metal Bed Frames)**, has been recognized by several renowned design and development platforms:

1. [CSS Design Awards](#) – Lecto Beds earned a spot on the CSS Design Awards for its innovative and clean design. This prestigious recognition emphasizes our expertise in creating user-centric, visually stunning websites.
2. [Design Nominees](#) – Another major award for the Lecto Beds website was granted by Design Nominees, a platform that celebrates outstanding digital creations. This recognition highlights our attention to detail, seamless user experience, and cutting-edge design.
3. [Web Guru Awards](#) – The **Lecto Beds** website also received accolades from Web Guru Awards, celebrating its innovative approach to eCommerce and online presence.
