

Meet Your Ultimate Demolition Sidekick!

Say goodbye to the old-school crowbar and level up your toolbox with the 48" Versatile Demo Bar — the original Gutster legend that's been transforming demolition for pros everywhere!

- ✓ Spear-shaped tips to tear through anything
- ✓ Built tough with high-strength steel
- ✓ Dual-sided prying saves time and effort
- ✓ Integrated nail puller = no tool switching

Whether you're ripping floors, busting walls, or gutting cabinets, this bar is your new best friend on the job site. Durable. Powerful. Reliable.
