

All-Weather Surveillance with Rugged Durability

No matter the climate, Mobotix ONE is built to perform. With IP66, NEMA 4X, and IK10 ratings, this camera withstands extreme weather, dust, impact, and temperature fluctuations from -40°C to 65°C—making it ideal for any environment.

✓ Key Benefits:

- ✓ Weather-resistant for harsh conditions
- ✓ Impact-resistant for vandal protection
- ✓ Reliable performance in extreme temperatures

👁️ Invest in security that lasts a lifetime!
