## **Dubai Freezone Company Formation**

Dubai is home to over **30 Free Zones**, each catering to specific industries like tech, logistics, media, healthcare, and finance. **Free Zone company formation** allows 100% foreign ownership, full repatriation of profits, and zero import/export duties.

Popular Free Zones we work with include:

- **IFZA** – Flexible licensing and competitive costs
- **DMCC** – Ideal for trading and crypto businesses
- **Dubai South** – Logistics and aviation-focused
- **SHAMS** – Media and content creation businesses
- **RAKEZ & Ajman Free Zone** – Cost-effective for startups

Our team helps you choose the best Free Zone based on your **budget, business activity, and visa requirements**.

## **Free Zone Company Registration in UAE**

The **Free Zone company registration** process is quick, often completed in just **3 to 5 working days** with minimal paperwork. It typically includes:

- Business name approval
- License application
- Shareholder documentation
- Office lease agreement
- Visa applications

With Anuvi, we ensure that your Free Zone setup is **fully compliant and optimized for cost-efficiency**.

## **Company Registration in Dubai**

**Company registration in Dubai** involves legal steps, documentation, and approvals that differ depending on your chosen jurisdiction. Anuvi Business Solutions assists with:

- Business activity classification
- Drafting and notarizing MOA (Memorandum of Association)
- Handling approvals from the Department of Economic Development (DED)
- Registering with Dubai Municipality and other authorities

We remove complexity and help you **register your company legally and quickly**.
