FAQ

Your guide to a successful career in the Merchant Navy

1. HOW CAN I APPLY TO THE MERCHANT NAVY?	-
To apply for the Merchant Navy, choose a suitable course like Marine Engineering or Nautical Science. Ensure you meet the age, educational, and medical requirements. Then, fill out the application for a recognized maritime academy, clear the entrance exams, and pass a medical fitness test. After successful completion of the training and certification, including a Continuous Discharge Certificate (CDC), you can apply for jobs with shipping companies or agencies.
