

Study Abroad Made Simple with Stubard

TOP 10 MISTAKES STUDENTS MAKE WHEN PLANNING TO STUDY ABROAD

Studying abroad is a dream for many Indian students—but turning that dream into reality involves careful planning, timely decisions, and avoiding common mistakes. Every year, thousands of students miss out on great opportunities due to small oversights or wrong assumptions. Whether it's choosing the right university or finding suitable student accommodation, the process needs clarity, research, and support.

If you're planning to study abroad, make sure you avoid these top 10 mistakes most students make during the journey.

WHY CHOOSE GERMANY FOR YOUR STUDIES?

The process to study abroad is more than just choosing a course—it's a life-changing decision that affects your academics, career, and personal growth. Every step, from shortlisting colleges to booking student accommodation, requires research, preparation, and smart decisions.

Avoiding these common mistakes can help you transition smoothly into your international student life—and make the most of the opportunities waiting for you.

If you're unsure where to start, don't worry. With the right guidance, scholarships, and planning tools, you can study confidently, anywhere in the world.
